Re: File Review Eastside Texaco, 901 4th Street, Goldthwaite,  
(Mills County), Texas  
Facility ID No. Not Listed LPST ID No. 103234

Dear Mr. Miller:

Recent legislative action has resulted in procedural changes in the administration of the Petroleum Storage Tank Program and prompted a review of all existing LPST Sites to determine if additional corrective action is warranted.

A review of the file pertaining to this release incident indicates that the contamination levels are within acceptable limits and no additional corrective action is necessary at this site.

The TNRCC appreciates your assistance in this matter and your compliance efforts to ensure protection of the State's environment. If you have any questions, please contact Mr. James Jackson of my staff at (817)751-0335.

Sincerely,
